

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D. C. 20555

mb

MAR 20 1985

NOTE TO: ~~C. Cunningham~~

~~M. Springer~~

~~P. Nerry~~

W. Dircks

FROM: J. Felton

SUBJECT: CHAIRMAN'S MEMORANDUM

I spoke to Bill Reamer as to what prompted the Chairman's memorandum. He indicated that the Executive Order had come up in conversations several times, and that Norm Haller drafted the memorandum. I explained that NPC was not covered by the Executive Order. He said that even if we were not covered, the Commission would ask if we should comply voluntarily. Hence, we have prepared a more detailed response than might otherwise be necessary.
