This will also confirm my plans to visit each of your Area Compliance Offices during the week of August 5-9, 1985. The purpose of this visit is to review your field offices administrative procedures and record systems, and to conduct inspector accompaniments. The accompaniments will be coordinated with Mr. Schubert and your inspectors as needed prior to the visits. The field office visits are scheduled as follows:

Jacksonville	August 6, 1985	No accompaniment
Miami	August 7, 1985	R. O'Bear accompaniment

The above office visits will take priority; however, I also plan to visit the Broward County Health Department and Pinellas County Health Department if time permits. The results of these visits will be discussed with you during the formal review in Tallahassee, Florida.
