Subject: PRELIMINARY REVIEW OF 10 CFR PARTS 25 AND 95

Duane,

After review, both Bob Fonner and I agree that the revisions to 10 CFR Parts 25 and 95 should be pulished as proposals for comment. Specifically, the revisions contain new material and will impose record keeping, reporting and new managerial duties on licensees, see e.g. 25.35 and 95.18. Furthermore, publication as proposed rules is consitent with the Agency's policy when the revisions make substantive changes to the existing regulations. If you have any questions or concerns please do not hesitate to give me a call at 415-1569.

Brad
