Dear Mr. Felton:

Pursuant to the Freedom of Information Act, 5 USC 552, as amended, and the provisions of 10 CFR Part 9, the undersigned hereby requests the following:

2. All reports, analyses, evaluations, or other documents concerning the experiments conducted at the Sandia National Laboratory on small and large scale steel containment models as part of the research program on containment integrity.

In accordance with your policy as stated in your responses to my previous FOIA requests, I request that 75% of the fees for the search and production of these documents be waived, as they relate to Issue #8, on hydrogen control, admitted into the Perry OL proceeding. I agree to accept the remaining 25% of the fees.
