License No. 21-20455-01

Gentlemen:

This refers to your letter dated June 17, 1985, informing us of the steps you have taken to correct the violations identified in our letter dated May 24, 1985. While your letter states that you have contracted the services of a consultant; to "supervise and control federal and state compliance requirements", it should be understood that it is the licensee's responsibility to ensure that NRC regulations and license conditions are followed. We will examine these matters during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

W. L. Axelson, Chief
Nuclear Materials Safety and
Safeguards Branch
