

COMMITTEE TO BRIDGE THE GAP

1637 BUTLER AVENUE #203
LOS ANGELES, CALIFORNIA 90025
(213) 478-0829

February 6, 1985

Director
Office of Administration
U.S. Nuclear Regulatory Commission
Washington, D.C. 20555

FREEDOM OF INFORMATION
ACT REQUEST

FOIA-85-121

Rec'd 2-21-85

Dear Sir:

This is a request under the Freedom of Information Act, as amended.

I would like to obtain a copy of any response to the remaining followup questions for Commissioners Bernthal and Asselstine submitted by Reps. Fuqua and Lloyd, which has become available since my previous request in early January (FOIA-85-16).

The Committee to Bridge the Gap is a non-profit public interest research organization which has been actively involved in the development of the HEU conversion rule, which is the subject of the requested documents. Materials received under this request will be used for educational purposes and without profit. We therefore request a waiver on production costs.

Until February 28, 1985, please respond to me c/o NIRS, 1346 Connecticut Ave, NW, 4th floor, Washington, D.C. 20036. After February 28, 1985, please respond to the address printed above.

Thank you.

Sincerely,

Steven Aftergood
Executive Director
