Subject: Revised Quality Management Program (QMP)
License No. 34-00799-03

Pursuant to 10CFR35.32(e), we are notifying you of a change in our QMP. We have made a slight revision to our written directive form in order to increase the program's efficiency and effectiveness. The change (an additional confirmation line) has been highlighted.

If you have any questions, please call Kenneth M. Fritz,
Radiation Safety Officer at (513) 475-6319.
