ACT REQUEST**

FOIA-85-258

rec'd 4/11/85

Dear Freedom of Information Officer,

Under the provisions of the Freedom of Information Act, 5 U.S.C. 552, the Government Accountability Project (GAP) is requesting copies of all reports, studies, and/or monitoring analyses done by and/or for the NRC and/or AEC on the incineration activities of the Dow Chemical Company of Midland, Michigan.

GAP requests that any fees be waived. As you know, the Act (5 U.S.C. 552(a)(4)(a)) permits you to waive any fees when the release of the information is considered as "primarily benefiting the public." GAP believes that this request fits that category.

For any documents or portions of documents that you deny due to a specific exemption under the Act, please provide an index itemizing and describing the documents or portions of documents withheld. The index should provide a detailed justification of your grounds for claiming each exemption, explaining why each exemption is relevant to the document or portion of document withheld.

GAP would appreciate your handling this request as quickly as possible, and we look forward to hearing from you within ten (10) days, as the Act stipulates.

Sincerely,

Steve Kohn
