Dear Ms. Jackson:

Last month we discussed your letter dated February 12, 1985, regarding our application for amendment to the subject license. Your letter stated that you had not received our check no 509098 in the amount of \$120, and that in any case, the amendment fee was \$350. During our conversation, however, you said you subsequently received the check and would hold it until receiving the balance of the amendment fee.

Enclosed is our check no. 620223 in the amount of \$230, which represents the balance of the amendment fee. Please see that our application is processed as soon as possible so that an amendment to our license may be issued.

Thank you for your help in this matter.

Very truly yours,

Beverly A. Jackson
