U.S. Nuclear Regulatory Commission
Attn: Mr. Ronald D. Hauber, Assistant Director
Exports, Security, and Safety Cooperation
Office of International Programs
Mail Stop 3H-5
Washington DC 20555

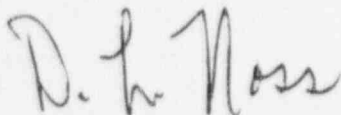

Dear Mr. Hauber:

Reference: Letter, J. B. Edgar to R. D. Hauber, "Export Application for Shipment of Uranium Scrap to Siemens Brennelementwerk in Hanau (XSNM-02763)", July 23, 1995.

With regard to the referenced export application for scrap uranium to Hanau (XSNM-02763), Siemens Power Corporation wishes to withdraw this application for export. There is no further need for this export license, since the scrap has been returned to usable form by SPC.

Accordingly, we request that our \$3,100 license application fee be refunded at your earliest convenience.

Very truly yours,

D. L. Noss
Safeguards Specialist
