OFFICE OF THE  
SECRETARY

August 1, 1984

Mr. John E. Byrne, Director  
Office of the Federal Register  
1100 L Street, N.W.  
Washington, DC 20408

Dear Mr. Byrne:

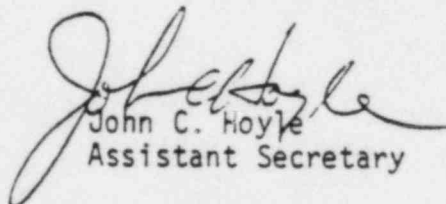

This is to request that the following Federal Register notices not be published in tomorrow's Register as scheduled:

1. 10 CFR Part 40, Uranium Mill Tailing Regulations: Conforming NRC Requirements to EPA Standards - Proposed Rule, and
2. 10 CFR Part 40, Uranium Mill Tailings Regulations; Ground Water Protection and Other Issues.

These notices must be retracted due to an oversight which resulted in the notices being signed and forwarded to the Register without first being approved by the full Commission.

Your urgent attention to this request is appreciated.

Sincerely,

  
John C. Hoyle  
Assistant Secretary
