MEMORANDUM FOR: Chairman Palladino
Commissioner Roberts
Commissioner Bernthal
Commissioner Zech

FROM: James K. Asselstine *Jim*

SUBJECT: TOURTELLOTTE DIFFERING PROFESSIONAL OPINION ON MILL
TAILINGS REGULATIONS

I read with interest Jim Tourtellotte's September 6 memorandum on uranium mill tailings. A majority of the Commission has now agreed on language for the implementation policy and proposed rules. I therefore propose that we go ahead with them. However, since the policy statement and proposed rules are being issued for comment, Mr. Tourtellotte can go ahead and prepare his legal opinion, and we can consider this along with any other comments that are submitted during the comment period.
