Dear Colleague:

On behalf of the ORNL GLDB project team, Ms. Janet Swenson and Drs. Rose Haas and Tim Borges, I would like to thank you for meeting and sharing your thoughts with us on the General License Data Base (GLDB). We also appreciate your offer to provide additional information concerning hardware, software, or inter-program activity with the General License Data Base. We found our meetings with all NRC personnel to be most helpful and feel they will ensure successful completion of this project.

Sincerely,

Po-Yung
