NRC'S STRATEGIC ASSESSMENT OF REGULATORY ACTIVITIES (SP-96-102)

The Nuclear Regulatory Commission is requesting public comment on the second phase of a critical evaluation known as strategic assessment and rebaselining of its regulatory activities. Enclosed please find the following documents: 1) a stakeholder involvement process paper; 2) a set of direction-setting papers on 16 issues with Commission preliminary views on each; and 3) a strategic planning framework paper which explains how the issues relate to the strategic plan and how the plan will be developed. Also enclosed is a press release which provides further information and provides details on three public conferences NRC is planning to discuss the issues papers and to obtain comments from stakeholders. The comment period on the issues papers closes on November 15, 1996. If you have any questions, you may contact Spiros Droggitis of my staff at 301-415-2367.
