OFFICE OF INSPECTION AND ENFORCEMENT  
NOTIFICATION OF SIGNIFICANT ENFORCEMENT ACTION

Licensee: Mississippi Power and Light Company  
Grand Gulf  
Docket No. 50-416

Subject: PROPOSED IMPOSITION OF CIVIL PENALTY - \$500,000

This is to inform the Commission that a Notice of Violation and Proposed Imposition of Civil Penalty in the amount of Five Hundred Thousand Dollars (\$500,000) will be issued on or about May 31, 1985 to Mississippi Power and Light Company. This action is based on deficiencies in the Mississippi Power and Light training program at the Grand Gulf Nuclear Power Plant, three sets of RO and SRO license applications which contained material false statements, and the failure of Mississippi Power and Light to notify the NRC of the errors in the license applications and to correct them once the error became known to Mississippi Power and Light.

It should be noted that the licensee has not been specifically informed of the enforcement action. The Director, Office of Inspection and Enforcement, has been authorized by the Commission to sign this action upon determination by the Department of Justice (DOJ) that the department has no objection to the release of the Notice of Violation. DOJ informed the Office of Investigations of this determination in a letter dated May 16, 1985. The schedule of issuance and notification is:

Mailing of Notice	May 31, 1985
Telephone Notification of Licensee	May 31, 1985

A news release has been prepared and will be issued about the time the licensee receives the Notice. The State of Mississippi will be notified.

The licensee has thirty days from the date of the Notice in which to respond. Following NRC evaluation of the response, the civil penalty may be remitted, mitigated, or imposed by Order.
