Dear Sirs:

The Medical Board of the Washington Hospital Center has chosen Nicholas Nolan, M.D. to serve as chairman of the Radiation Safety Committee.

Item 7(a) of our renewal application dated July 24, 1980 states that Dr. E. Kotlyarov was chosen to replace Dr. Baselga as chairman of the safety committee. However, Dr. Kotlyarov left the hospital on July 1, 1981.

Please change item 7(a) last paragraph ( of our renewal application) to " The President of the Washington Hospital Center Medical and Dental Staff, Robert Collins, M.D., has selected Nicholas Nolan, M.D. to serve as chairman of the Radiation Safety Committee."

If you need further information please contact our Radiation Safety Officer, Mr. Kenneth Williams ( 541-6496).

Sincerely yours,

*Richard M. Loughery*
