RE: REPLY TO A NOTICE OF VIOLATION
INSPECTION NO. 030-30170/96-001
LICENSE NO. 37-28085-01

An NRC Inspection conducted on July 22 through 24, 1996 identified an item of non-compliance. Apparently, three individuals were graded to a minimum of 80% on their Radiographer's exams, as written in QSLI Operating Procedure, Item 5.6.2, Dated 8/19/96. I inadvertently graded these exams as if they were NDE Exams - *not* safety tests.

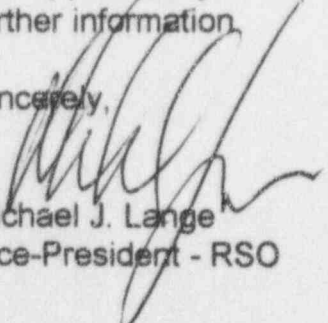

To prevent this from happening in the future, the safety tests will have the words "*Minimum Score 85%*" typed on the test next to the individuals name.

Also, QSLI Annual Internal Audit will have to check for the scores of all newly employed radiographers and assistant radiographers.

Full compliance is as of the date of this letter.

We appreciate you calling this to our attention. Please contact us if you require any further information.

Sincerely,

Michael J. Lange
