

MAY 5 1982

Docket No. 40-8728

Teton Exploration Drilling Co., Inc.
ATTN: Mr. Richard Appel, Coordinator
Permits and Licensing
P.O. Drawer A-1
Casper, Wyoming 82602

Gentlemen:

On November 6, 1981, Amendment No. 6 to License SUA-1373 was issued in response to your letters dated July 20 and September 14, 1981. The effect of the amendment is to approve your restoration and post-restoration monitoring plans.

Through an oversight, Amendment No. 6 was issued without the prescribed amendment fee. A minor safety and environmental amendment fee of \$760 is required as specified in Section 170.31 (2B) of 10 CFR 170. Payment should be made to the U.S. Nuclear Regulatory Commission and mailed to my attention.

I apologize for the delay in notifying you of the fee due for the amendment. If you have any questions, please contact me.

Sincerely,

Original Signed By
J. D. Weiss
