SUMMARY

License for operations in Mississippi

(Lindray Wire is moving from a location in Ohio to one in Mississippi - they now hold License No. 34-20211-01)

I asked Mr Shriver the following questions:

1. Are you a private company - answered yes
2. Do you possess biological material on Federal property (Army base, Navy base, etc) Answered NO

In view of the above I told Mr Shriver he would need a State of Mississippi license since this is an Agreement State (I explained what an Agreement State is) I gave Shriver Mr Eddie Fvents - telephone number & address. Shriver said he would contact Mr Fvents immediately.
