IN RESPONSE REFER
TO FOIA-85-229

Dear Mr. Burr:

This is in response to your letter dated March 27, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA):

- 1) All documents maintained in Docket 40-1366 file(s), License SUA-617 and previous licenses, Gunnison Uranium Mill, Gunnison, Colorado, dated April 1958 through December 1974, or latest date.
- 2) All documents maintained in Docket 40-1668 file(s), License SUA-618 and previous licenses, Lakeview Uranium Mill, Lakeview, Oregon, dated May 1959 through December 1974, or latest date.
- 3) All documents maintained in Docket 40-6659 file(s), License SUA-551, Petrotomics Uranium Mill, Carbon County, Wyoming, dated January 1963 through December 1974.
- 4) All documents maintained in Docket 40-8027 file(s), License SUB-1010, Sequoyah UF₆ Conversion Plant, Muskogee County, Oklahoma, dated April 1970 through May 1972, and dated July 1975 through October 1976.

The documents listed on enclosed Appendices A and B are responsive to categories two and four of your request and are enclosed. You will be billed separately by our Division of Accounting and Finance in the amount of \$81.62. In addition to these enclosed documents, there are eight over-sized maps relating to the Sequoyah facility, docket 40-8027, and 15 maps relating to the Petrotomics Uranium Mill, docket 40-6659. Due to their size, these maps have not as yet been reproduced. Should you be interested in discussing the types of maps and the reproduction costs that would be incurred to obtain copies of these maps, please telephone Ms. Nina Toms at (301) 492-8993 by June 5, 1985.

In regard to documents requested under categories one and two of your request, Colorado and Oregon became Agreement States on February 1, 1968 and July 1, 1965, respectively. Consequently, the Nuclear Regulatory Commission's pertinent files were transferred to the States. We have enclosed a copy of the list of Agreement States. In order to obtain records sought under categories one and two of your request, you should write directly to the States of Colorado and Oregon. The list contains the individual to be contacted, telephone number, and complete address.

In addition, documents 96 and 97 of Appendix B contain certain information that would identify individuals exposed to radiation. The information is being withheld because disclosure would constitute a clearly unwarranted invasion of personal privacy. The deleted information is being withheld from public disclosure pursuant to Exemption (6) of the FOIA (5 U.S.C. 552(b)(6)) and 10 CFR 9.5 (a)(6) of the Commission's regulations. The nonexempt portions of these two documents are enclosed.

Pursuant to 10 CFR 9.9 of the Commission's regulations, it has been determined that the information is exempt from production or disclosure, and that its production or disclosure is contrary to the public interest.

The persons responsible for this denial are the undersigned and Mr. Robert D. Martin, Regional Administrator, Region IV.

This denial may be appealed to the Commission's Executive Director for Operations within 30 days from the receipt of this letter. As provided in 10 CFR 9.11, any such appeal must be in writing, addressed to the Executive Director for Operations, U.S. Nuclear Regulatory Commission, Washington, DC 20555, and should clearly state on the envelope and in the letter that it is an "Appeal from an Initial FOIA Decision."

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton", with a long, sweeping horizontal line extending to the right.

J. M. Felton, Director
Division of Rules and Records
Office of Administration

Enclosures: As stated
