

MAY 24 1985

Docket Nos.: 50-440  
and 50-441

Mr. Rowland Louth  
13164 Leroy Center Road  
Painesville, Ohio 44077

Dear Mr. Louth:

This letter is in response to the concerns you expressed during the April 11, 1985 limited appearance session of the Atomic Safety and Licensing Board hearing in the Perry Nuclear Power Plant OL-Proceeding held in Perry, Ohio. Please be advised that a response to your concerns and questions is to be directly provided to you by the Federal Emergency Management Agency (FEMA) since they relate to offsite emergency planning and preparedness which is the review responsibility of the FEMA. Enclosed for your information is a memo from E. L. Jordan (NRC) to R. W. Krimm (FEMA) dated May 17, 1985 which refers your questions to FEMA for response.

Please feel free to advise me when you receive a response to your concerns and/or if I can be of further assistance to you.

Sincerely,

(5)

John J. Stefano, Project Manager  
Licensing Branch No. 1  
Division of Licensing

SUBJECT: RESPONSES TO QUESTIONS RAISED IN LIMITED APPEARANCE  
STATEMENTS ON APRIL 11, 1985 DURING THE HEARING FOR  
THE PERRY PLANT

During the hearing for the Perry Plant, on April 11, 1985, a number of questions were raised in Limited Appearance statements related to emergency planning that were not addressed during the litigation of admitted contentions.

The purpose of this memorandum is to request the assistance of FEMA in responding to those questions related to offsite emergency planning and preparedness. A copy of the transcript of the Limited Appearance session is enclosed (Enclosure 1). The questions we believe to be in FEMA's area of review responsibility are outlined. Please feel free to modify this list as you deem appropriate and respond directly to the members of the public who expressed their concerns regarding offsite emergency planning.

The name and address of each questioner is provided in Enclosure 2. Please send us a copy of your responses for our records.
