Gentlemen:

RE: NRC License No. 22-18785-01

Please cancel the above referenced license for our nuclear moisture density gauge which has been transferred to Quality Assurance Testing Company.

Enclosed is a completed Form NRC-314 Certificate of Disposition of Materials as required by your expiration notice of 4/1/85.

Also enclosed is a copy of the leak test analysis which was performed on the unit prior to transfer.

Yours truly,

A handwritten signature in dark ink, appearing to read "Merlyn R. Gutz".
