SUMMARY

Glenda called to inform me that she had abandoned this application for non-payment of fees. Only the R+D fee had been paid, leaving the source, SNM, and service portions of the required fee unpaid. She said it would be allowable to write the R+D portion of the license (if the response comes in) and issue with a cover letter stating that the other portions were not included on the license because of nonpayment of fees.

ACTION REQUIRED

If response comes in, I will ^(with Glenda) issue license as stated above.
