Attention: Mr. Doug Maurer
Hydrologist

Gentlemen:

Enclosed is the NRC license amendment which you requested.

Please review the enclosed document carefully and be sure that you understand all conditions. If there are any errors or questions, please notify us so that we can provide appropriate corrections and answers.

Page 26 of your Radiation Safety Manual states that the logging truck will not be posted with "Caution, Radioactive Materials" sign when not in transit but containing licensed materials. However, you should note that 10 CFR 20.203(e) requires that a "Caution, Radioactive Materials" sign be posted in each area or room in which materials possessed under this license are used or stored.

Any future correspondence relating to your license should specifically reference your license and docket numbers to expedite your inquiry.

Sincerely,
