As a result, we are formally requesting copies of any and all documents within your agencies control in regards to any phone calls or document requests made in regards to Sherwood Bauman or the organization, including phone journal logs, written requests, E-mail or fac communications and personal notes. We are especially interested in any documents in your possession regarding a phone call between David Berz and Robert Nelson as well as the phone call between Robert Nelson and Mr Jay E. Silberg. We would also like to know if these attorneys were required to supply a formal written FIOA request in regards to said documents provided by your office.
