Docket No. 40-6659

Dear Mr. Nussbaumer:

Mr. G. K. Coates, Mill Superintendent of Petrotomics Company, Casper, Wyoming, has asked me to contact you and offer my services if there is anything I can do to expedite their Uranium Mill licensing application.

I talked to Mr. Delaney today and was told that Petrotomics' plant facilities were being inspected as a prerequisite to licensing and that plans were proceeding on schedule relative to this application.

As you know, Tidewater is the operating partner in Petrotomics. If there is anything I can do to assist you, please call me at EXecutive 3-1070.

Sincerely yours,

  
J. A. Ransford.
