

UNITED STATES
NUCLEAR REGULATORY COMMISSION
WASHINGTON, D.C. 20555

November 14, 1984

OFFICE OF THE
SECRETARY

Mr. Robert J. Monick, President
Ace-Federal Reporters, Inc.
444 North Capitol Street, N.W., Suite 402
Washington, D.C. 20001

Dear Mr. Monick:

Ref. Contract No. NRC-17-85-207 (Work Order
No. NRC 219)

I am returning the attached transcript of a Commission meeting which took place on November 6, 1984. A detailed review of the first twelve pages of the transcript indicates that it is unsatisfactory for the following reasons:

- Words and phrases that are considered essential for full understanding are omitted.
- Words are incorrectly transcribed.
- Inaudible sections are not indicated.
- A certification page is omitted.

A scanning of the remainder of the document indicates that the same flaws exist throughout the document.

I should appreciate receiving a corrected original by November 21, 1984.
