RE: Source Material License No. SUA-1396, Block 2 No. 40-8745

Subject: Semi-Annual Report
Bison Basin Mine

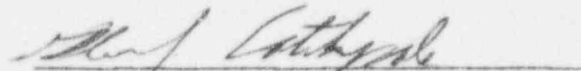

Dear Mr. Smith:

In accordance with the referenced license, Ogle Petroleum Inc. of California herewith submits five copies of the Sixth Semi-Annual Report for its commercial in-situ uranium solution mining operation in the Bison Basin area of Fremont County, Wyoming. The period covered by this report is February 23, 1984 through August 27, 1984. The format used in the report is the same as the five previous reports.

Please contact me at our Casper office if you or your staff have any questions regarding this report.

Sincerely,

OGLE PETROLEUM INC. OF CALIFORNIA
