Gentlemen:

Re: DLR:DFH 40-6659

We wish to acknowledge receipt of your letter of July 10, 1962 and apologize for the improper routing of the safety survey. This report was indeed prepared and ready for transmittal by our Radiologist and was sent to my office.

We were in error for not having this forwarded to your office, as we understood this to have been done on a separate form.

We will, in the future, have our Radiologist, Mr. B. M. Moulden, transmit these surveys direct to your office with a copy only coming to this office.

Please find enclosed the survey in question.

Yours very truly,

PETROTOMICS COMPANY
