Docket No. 40-8745
04008745431E

Mr. Trinidad Herrera
Ogle Petroleum, Inc.
2510 E. 15th Street, No. 8
Casner, Wyoming 82609

Dear Mr. Herrera:

In accordance with 10 CFR 40.65, the NRC received a report dated January 6, 1984, on the Semi-Annual Effluent Release for Ogle Petroleum's Bison Basin project for the period July 1, 1983 through December 31, 1983. A duplicate report dated March 12, 1984, was also received. According to these reports, no release of radioactive effluents to unrestricted areas were made during the reporting period. No further action is required.

Sincerely,

PRH for

Edward F. Hawkins, Chief
