Dircks notes this second problem with Ogle Petroleum. He asks that any further problems or communications with this licensee be brought to his attention directly (or thru me, if more convenient).

The Honorable Dick Cheney
United States House of Representatives
Washington, D.C. 20515

T. A. Rehm

Dear Congressman Cheney:

This is in response to your letter dated March 8, 1983, concerning the Commission's charging of a fee to change a company's address on a license. Your letter enclosed correspondence you had received from Mr. Glenn J. Catchpole of Ogle Petroleum, Inc.

It is not our policy to charge a fee for a change of address. Mr. Catchpole has been so notified.

I am sure you and Mr. Catchpole are getting tired of our apologies in regard to the inefficiencies in our process. I have, therefore, asked the staff to re-te the Ogle Petroleum file to assure that any further actions in regard to their license are cleared with me.

Sincerely,

Original /s/ by W.J. Dircks
