Generic Letter 85-07, Integrated Living Schedule Survey

Gentlemen:

Please find attached the completed survey form which was provided with Generic Letter 85-07. Although we have no plans at this time to develop and submit an integrated living schedule, we do maintain a multi-year schedule for planning work on Beaver Valley Unit No. 1. This is necessary and part of our normal process utilized in the effective planning of manpower and resources. Circumstances in the future may develop which could make the concept of an integrated living schedule desirable for adoption at Beaver Valley. We intend to further evaluate the concept to determine if it will offer enhancements to safety within the constraints of the resources available to us.

Very truly yours,

J. J. Carey
