

UNITED STATES  
NUCLEAR REGULATORY COMMISSION  
WASHINGTON, D.C. 20555

September 11, 1984

OFFICE OF THE  
SECRETARY

Free State Reporting  
ATTN: Mr. Dave Becker  
99 Cathedral Street  
Annapolis, MD 21401

Dear Mr. Becker:

SUBJECT: Contract No. NRC-17-84-327  
Work Order Nos. 137 and 138

We are returning two transcripts for correction (Commission meetings of September 6 and September 7, 1984). Both contain errors which clearly call into question your transcript audit procedure. Both have speakers who take part in the discussion but whose names are not on the list of speakers. One has an incorrect date. While these errors do not involve the deliberations and appear to be only of minor significance, they do involve essential elements of the Commission meeting and could be potentially embarrassing if not caught prior to distribution.

Sincerely,

Patricia A. Sullivan  
Project Officer
