RE: License Renewal  
NRC License 46-18301-01

Dear Sir:

A review of our current NRC license and supporting documents has been completed. It is hereby requested to continue to operate under our current license number 46-18301-01 dated October 30, 1978, as amended (Amendment No. 1) on February 22, 1977, and as amended (Amendment No. 2) on August 13, 1982. These documents accurately reflect our current program and we will continue to operate in accordance with these documents and applicable NRC regulations and license conditions.

Since a license issued to a Government agency is exempt no fee is required for this renewal.

If you have any questions concerning this renewal application, you may contact me at FTS 399-6559 or AC 206/764-6559.

Sincerely,

Michael E. Peterson, P. E.
