Phone Call Regarding past certification
Don Peters

7/2/85 - I called Consolidated X-Ray Service Corp. -Dallas, Texas
I spoke with Robert Cullington, Asst. Radiation Safety
Director. I explained to Mr. Cullington that I needed
any information he might have on former employee Don Peters
such as test records, certifications. He said he would
look up the information and call me back.

Mr. Cullington called back, he stated that Mr. Peters
had worked for them and their subsidiary company
Century X-Ray Co. from 1966 to 1975 as a Radiographer,
He was tested with their company and Mr. Cullington will
send me a copy of his certification in the mail as soon
as possible.
