Dear Mr. Becker:

Subject: Contract No. NRC-17-84-327 (Work Order Nos. 128 and 140)

I am returning the attached Advisory Committee On Reactor Safeguards transcripts for the following reasons:

- (1) NRC #128 - ACRS Subcommittee Meeting On Regulatory Policies And Practices, September 5, 1984 is being returned for the second time due to the excess number of inaudibles and errors. Very few corrections were made to the first revision.
- (2) NRC #140 - 293rd Meeting Of The Advisory Committee On Reactor Safeguards, September 7, 1984 is being returned due to excess inaudibles and other errors. Very few corrections were made to the first revision.

Parts of both transcripts have been marked to show some of the problems.

I would like to receive corrected originals and copies by October 4, 1984.

Sincerely,

A handwritten signature in cursive script that reads "Patricia A. Sullivan".

Patricia A. Sullivan
Project Officer
