MEMORANDUM TO: Service List

SERVED OCT -9 1996

FROM:

John C. Hoyle
John C. Hoyle, Secretary

SUBJECT:

PETITION OF MARK DONHAM AND KRISTI HANSON

The Commission has received a petition for review dated October 2, 1996 from Mr. Mark Donham and Ms. Kristi Hanson expressing concerns with the decision of the NRC Director of the Office of Nuclear Material Safety and Safeguards to issue certificates of compliance for the operation of two gaseous diffusion plants by the U.S. Enrichment Corporation. The petition, a copy of which is attached, was docketed on October 8, 1996.

You are invited to comment on this petition by October 21, 1996. Your comment may be sent to my office by mail or fax to the attention of the Docketing and Service Branch. The fax number for comments sent to the Office of the Secretary is (301) 415-1672. Fax verification or assistance may be obtained by calling (301) 415-1677.
