SUBJECT: Supplement to the Annual Environmental Operating Report
for Facility License NPF-37

As a supplement to the 1984 Annual Environmental Operating Report for Facility License NPF-37 submitted by Byron Nuclear Power Station on April 26, 1985, we hereby submit a copy of the aerial remote sensing survey photographs described in 4.2.1 in Appendix B. Copies of the photos were submitted to Region III at the time the report was issued. We regret that a copy of the photos was not included in your document package.

R.E. Querio
Station Superintendent
Byron Nuclear Power Station
