Gentlemen:

Enclosed is Amendment No. 12 to you NRC License Number 21-12535-01 which authorizes your request for a revised survey meter calibration frequency.

Please review this document carefully. You must conduct your program involving licensed radioactive materials in accordance with the conditions of your NRC license, representations made in your license application and subsequent amendment requests, and NRC regulations.

If there are any errors or questions relating to this amendment, please contact us at (312) 790-5625 so that we can provide an appropriate response.

Sincerely,
