Re: Limerick Generating Station, Units 1 & 2  
Docket Nos. 50-352 & 50-353

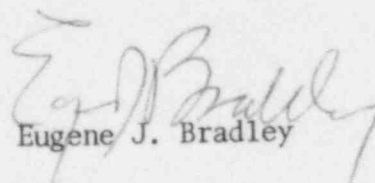

Dear Sir:

Transmitted herewith in accordance with Section 50.54(p) of the Commission's Regulations are five copies of Revisions to the Physical Security Plan for Limerick Generating Station consisting of page changes dated July, 1985, and the summary of the page changes listed on the attachment to this letter. The Revisions to the Plan reflect organizational changes and minor facility changes.

In accordance with Sections 2.790 and 73.21 of the Commission's regulations, it is hereby requested that the enclosed Revisions to the Plan be withheld from public disclosure. An affidavit which supports this request for nondisclosure and which also states that the Revisions will not decrease the safeguards effectiveness of the Plan is attached hereto.

Very truly yours,

COUNTY OF PHILADELPHIA

:

S. L. Daltroff, being first duly sworn, deposes and states that:

1. He is Vice President of Philadelphia Electric Company, Licensee under Facility Operating License NPF-27 for Limerick Generating Station, Unit 1 and is authorized to execute this affidavit;

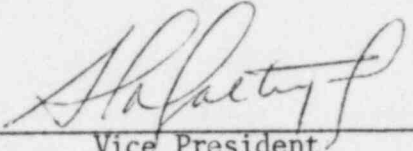

2. He has reviewed revised pages of the Physical Security Plan for Limerick Generating Station dated May, 1985 (hereinafter the "Revisions") and knows the contents thereof. The Revisions will not reduce the safeguards effectiveness of the Plan;

3. The Revisions which are sought to be withheld from public disclosure contain details relating to the physical security plans for Limerick Generating Station;

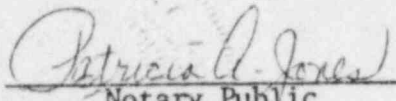

4. The information set forth in the Revisions has been treated as confidential and proprietary information and has been withheld from public disclosure by Licensee in accordance with Licensee's practice of treating all information dealing with the details of security plans as confidential and proprietary information, and;

5. The Revisions should be considered by the NRC as confidential and proprietary information and be withheld from public disclosure on the grounds that they contain Safeguards Information, they contain details relating to the physical security plans of a licensed facility, they contain

detailed information which could be used to compromise the safety and security of the facility, such disclosure is not required in the public interest and such disclosure would adversely affect the interests of Philadelphia Electric Company.
