NOTICE OF AGREEMENT AND PETITION TO POSTPONE INTERVENORS' RESPONSE TO
APPLICANTS' MOTION FOR SUMMARY DISPOSITION

By documents dated June 24, 1985 Applicants in the above styled proceeding moved for summary disposition of Intervenor's Contention 8 (Quality Assurance). On July 9, 1985, counsel for the Nuclear Regulatory Commission staff notified Intervenor's that the staff desired additional time to respond to Applicants' motion and had so notified Applicants. Intervenor's stated that they would also like additional time to respond and would not object to the staff's request.

On July 9, 1985, Intervenor's informed counsel for the Applicants by telephone that Intervenor's desired additional time to respond to Applicants' Motion for Summary Disposition of Joint Intervenor's Contention 8. On July 11, 1985, counsel for the Applicants informed Intervenor's that the Applicants have no objection to allowing the Intervenor's and the NRC staff until August 1, 1985 to respond to the motion.

Wherefore, Joint Intervenor's hereby respectfully request a waiver of the twenty-day deadline for response to motions for summary disposition and be granted an extension until August 1, 1985 to respond to Applicants' Motion for Summary Disposition of Intervenor's Contention 8.

Respectfully submitted this, the 12th day of July, 1985.
