Gerald M. Allan
 Radiation Safety Officer
 U.P. Engineers & Architects, Inc.
 100 Portage Street
 Houghton, MI 49931

Dear Mr. Allan:

As a result of the inspection conducted on August 27 and 28, 1996, with continuing review in the NRC Region III office through September 4, 1996, the enclosed NRC Form 591, SAFETY INSPECTION, is issued for License No. 21-20275-01. On September 4, 1996, you provided additional information about leak tests that had been completed. Subsequently, I discussed this information with you by telephone. The form sets forth the violation noted. Please acknowledge receipt of this form by signing and dating in the appropriate space on all copies. You are requested to retain the original and return four signed and dated copies to this office within ten days of the receipt of this letter.

I wish to express my appreciation for the cooperation extended to me during the inspection.

Sincerely,

Original signed by

Thomas Young
