Gentlemen:

This refers to your application dated June 13, 1985, requesting approval of a supplementary shield for the Model No. AP-101 cask.

In connection with our review, we need an analysis demonstrating the proposed shield remains effective under normal and accident conditions of transport (10 CFR §§71.47 and 71.51(a)(2)). Also, provide an engineering drawing(s) of the shield assembly and shoring.

The additional information requested by this letter should be submitted in the form of a new application within 60 days from the date of this letter. If you have any questions regarding this matter, we would be pleased to meet with you and your staff.

Sincerely,

Original Signed by
CHARLES E. MACDONALD
