IN RESPONSE REFER
TO FOIA-85-208

Dear Mr. Polson:

This is in partial response to your letter dated March 20, 1985, in which you requested, pursuant to the Freedom of Information Act (FOIA), 17 specified inspection reports and other records.

Your letter was referred to me because this office responds to all FOIA requests submitted to the Nuclear Regulatory Commission (NRC).

Some of the requested records, as identified on enclosed Appendix A, have already been made available for public inspection and copying at the NRC's Public Document Room (PDR) in Washington, DC, where they are available for inspection at no charge or for copying at the nominal charge of seven (\$0.07) per page, as specified in 10 CFR 9.14. We are enclosing a notice that provides procedures for obtaining records from the PDR.

This office has asked the staff to search for the remaining five inspection reports which you requested. We will notify you upon completion of the search for and review of those records.

If you have any questions regarding this matter, please telephone Dick Lavins at 301-492-9564.

Sincerely,

A handwritten signature in dark ink, appearing to read "J. M. Felton", written over a horizontal line.
