

MAY 29 1985

Mr. James E. Word, Commissioner  
Department of Public Health  
344 Cordell Hull Building  
Nashville, Tennessee 37219

Dear Mr. Word:

Thank you for your letter of April 17, 1985 responding to our comments and recommendations following our 1984 review of your Department's Radiation Control Program. I also wish to acknowledge Mr. Mobley's letter of April 3, 1985 responding to the technical portion of our comments and recommendations.

We appreciate the positive actions you and your staff are implementing with regard to our comments. We understand that your revised "State Regulations For Protection Against Radiation" are in final form and have been submitted for approval and adoption in accordance with your State's administrative procedures. After your regulations have been adopted please provide a copy to this office so that we can continue our compatibility determination.

If you have any questions, please free to contact our Region II Office at any time.

Sincerely,
