Gentlemen:

Please amend our Materials License 48-17875-01 to include Ronald Bude, M.D. as an additional individual user as outlined in NRC Form 313M, 10 CFR 35. Dr. Bude is a Board Certified Radiologist. Our license does not expire until May 31, 1988.

Dr. Bude was practicing nuclear medicine under license 21-18889-01, Dickenson County Memorial Hospital, Iron Mountain, Michigan, 49801. We do not and will not be doing any therapy practice at Marinette General Hospital.

An amendment fee is not enclosed as outlined in Title 10, CFR 170.11 as Marinette General Hospital is a county owned and operated hospital.

If you have any questions please do not hesitate to contact us at the above printed address and telephone number. Your concern in this matter is sincerely appreciated.
