MEMORANDUM FOR: John Philips, Chief
Rules and Procedures Branch
Division of Rules and Records
Office of Administration

FROM: G. C. Millman, Task Leader, 10 CFR §50.55a ✓
Division of Engineering Technology
Office of Nuclear Regulatory Research

SUBJECT: REGULATORY HISTORY FOR PROPOSED AMENDMENT TO 10 CFR
§50.55a

In accordance with procedures established by the Executive Director for Operations to ensure that a complete regulatory history is compiled for each rulemaking action undertaken by an office under his purview, I have completed the following actions relevant to establishing a regulatory history for the proposed amendment to 10 CFR §50.55a.

- o Compiled all documents of central relevance to the proposed rulemaking, and identified all such documents with the designators "AA83-1" and "PDR" in accordance with your May 31, 1985, memorandum to me.
- o Transmitted all documents comprising the regulatory history to the Document Control System.
- o By copy of this memorandum, I am transmitting to you the index to the regulatory history for the proposed amendment to 10 CFR §50.55a; see Enclosure.

If you have any comments or questions, please call me on extension 37862.

G. C. Millman
