Attn: Chief of Transportation Certification Branch

Dear Sirs:

Pursuant to the requirements of 10 CFR 71.12; American Ecology Recycle Center, as holder of the State of Tennessee's Radioactive Materials License Number R-01037-J95, wishes to register as a user of the CNSI Model No. 21300 radioactive material shipping package (cask). Your assistance in this matter will be greatly appreciated.

Sincerely,

David L. Wry
