contents of the Task 2 document that has been provided by the contractor. This assistance will take the form of presentations to, discussions with and responses to NRC and DOE persons attending meetings that are set up by the NRC during the months of April and May of 1985. These presentations, discussions and responses will be made in conjunction with those provided by a NASA interface.

The contractor will make up to five trips in the accomplishment of this effort; including a trip to the NRC offices in Silver Spring, Maryland and trips to DOE OCRWM Project Offices in the States of Washington, Nevada, and Ohio and to the DOE OCRWM in Washington, D.C. or other selected DOE sites.

The contractor's effort will include planning of presentation and discussion material with the NRC Project Officer and with the NASA interface; coordination of the trips with the NRC Project Officer and the NASA interface; preparation of the presentation and discussion material for use with meeting with NRC management; preparation of presentation and discussion material for use with meeting with DOE OCRWM; and preparation of delta amounts of presentation and discussion material for use at the DOE Project Office sites and for use at a DOE OCRWM meeting.

- II. The ceiling level for the subtask to Task 2 described above is \$24,264.19. In no event shall the contractor exceed this ceiling. Contractor shall be paid only for those costs actually incurred in below ceiling level.
- III. Section F.3., Duration of the Contract, is deleted in its entirety and the following is substituted in lieu thereof:

"This contract shall become effective on September 24, 1984 and shall continue through September 30, 1985."

As a result of this modification, the total amount obligated to this contract is \$171,770.49.

All other terms and conditions remain the same.
