Revision To NRC Distribution List For ANO Correspondence

Gentlemen:

Due to a recent management change at Arkansas Nuclear One (ANO), the NRC distribution list for ANO needs to be revised in order to provide proper distribution of NRC correspondence. Effective September 12, 1996, Mr. C. Randy Hutchinson was named vice president-operations at ANO. Mr. Hutchinson previously served as vice president-operations at Entergy's Grand Gulf Nuclear Station. Please modify your correspondence distribution list to be consistent with this information. Should you have any questions, please contact me.

Very truly yours,

Dwight C. Mims
Director, Nuclear Safety
